Alexandria, VA 22313-1450

TERMINAL DISCLAIMER

Sir:

SILU Verwaltung AG, the assignee of the full right, title and interest in
the above-identified application, and in U.S. Patent Application No.

10/311,736, filed January 15, 2003, hereby disclaims the portion of the term of any patent issued on the above-identified application which extends beyond the expiration date of the full statutory term defined in 35 U.S.C. §§ 154 to 156 and 173, as presently shortened by any terminal disclaimer of any patent issuing on U.S. Patent Application No. 10/311,736. This disclaimer includes the agreement that any patent to be granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to any patent issuing from U.S. Patent Application No. 10/311,736, this disclaimer to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors and assigns.

In making the above disclaimer, the owner does not disclaim the terminal part of any patent granted on the instant application that would extend to the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of any patent issuing from U.S. Patent Application No. 10/311,736, as shortened by any terminal disclaimer, in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims cancelled by a reexamination certificate, is reissued, or is in any

manner terminated prior to the expiration of its full statutory term as shortened by any terminal disclaimer.

Respectfully submitted,

JORDAN AND HAMBURG LLP
